As a follow-up to our discussion regarding agendas for the Full SFIREG and SFIREG Joint Working Committees, I wanted to let you know that both Jackie and Dolores took the opportunity to talk with me on Tuesday regarding the agendas and shared their commitment to ensure that we get the information we need in a timely manner. Jackie asked that in addition to sending agendas to Emily and Yvette that, in the future, we copy her, Dolores and Jeff Herndon. As requested, I did forward the draft agenda for the Full SFIREG Meeting being held June 3-4, 2019 to all parties yesterday (attached).

I appreciate the willingness of EPA leadership to meet and discuss issues and concerns of State Lead Agencies and your commitment to work together to reach a resolution.

Thank you.
